It is hereby expressly declared that, Whereas, the land particularly described in this conveyance is understood to be subject to an oil and gas mining lease in favor of N. E. Ranney a one-half interest, not only in the oil and gas, but also all rents and royalties therein reserved to the lessor, precisely as if said C. E. Ranney had been at the date of the making of said lease, the owner in fee of a one-half interest in and to the lands described, and himself one of the lessors therein.

Provided:

And it is hereby further expressly declared that it is the true intent and purpose of this conveyance to pass to and vest in the said C. E. Ranney an undivided one-half interest in all the mineral and mineral rights in the land first described herein, or that at any time may be found therein or thereunder, and all grantors, rights to operate for said minerals, and deal and contract with regard thereto, including the leasing thereof, as fully to all intents and purposes as if the said C. E. Ranney was the absolute owner of the entire title and estate in said lands, with right in the grantor to repay one-half of all expenses and receive one-half of the net profits.
