My entire one-half interest in all of the oil, gas, coal and other minerals now, or at any time hereafter, lying in or under the following described tract of land (or any part thereof):

situated in the County of Madison, State of Mississippi; my entire one-half interest in all my rights, interest and estate under and by virtue of any oil and gas mining lease or other mineral lease now, or hereafter existing upon said premises, or any part thereof, including all rents, and royalties accrued and to accrue; and also the perpetual and irrevocable right, privilege and easement of entering upon said lands and searching for, drilling wells, sinking shafts, mining, digging, extracting taking and carrying away all of the oil, gas, coal and other minerals in or under said lands, or that may be found therein, or thereunder; and also the right to possession and use of so much of said premises, at all times as may be necessary to be practical carrying out of the purposes and provisions of this grant; provided, however, that grantor, upon payment to grantee, of one-half of all expenses and cost of producing such minerals, shall thereupon be entitled to one-half of the net profits arising from the sale and disposition thereof.

To Have and To Hold, All the aforegranted estate, property and easements, together with all and singular the rights, privileges, and hereditaments thereunder belonging or appertaining, unto the said C. And the said T. H. Dinkins, for his heirs, successors, and personal representatives, do hereby covenant and agree to and with said C. E. Ranney, his heirs, successors and assigns, that at the delivery of these presents he is lawfully seized in his own right of an absolute and indefeasible estate of inheritance in fee simple of, in and to all and singular the aforesaid premises and property; that he has good right to sell and convey the same, and warrants the same to be free, clear, discharged and unencumbered of and from all former grants, titles, charges, judgments, taxes, assessments and encumbrances of whatsoever kind and nature, except an oil and gas leasehold, estate hereinafter referred to, which is recorded in the office of the Chancery Clerk of Madison County, Mississippi.

It is hereby expressly declared that, Whereas, the land particularly described in this conveyance is understood to be subject to an oil and gas mining lease in favor of N.E. Allen, it is intended that said outstanding lease is fully embraced in the general terms of this conveyance, so as to pass to, and vest in said C.E. Ranney, a one-half interest, and only in the oil and gas, but also all rents and royalties therein reserved to the lessor, precisely as if said C.E. Ranney had been at the date of the making of said lease, the owner in fee of a one-half interest in and to the lands described, and himself one of the lessors therein.

Provided—

And it is hereby further expressly declared that it is the true intent and purpose of this conveyance to pass to and vest in the said C.E. Ranney an undivided one-half interest in all the mineral and mineral rights in the land first described herein, or that at any time may be found therein or thereunder, and all grantors rights to operate for said minerals, and deal and contract with regard thereto, including the leasing thereof, as fully to all intents and purposes as if the said C.E. Ranney, was the absolute owner of the entire title and estate in said lands, with right in the grantor to repay one-half of all expenses and receive one-half of the net profits.
